

## Development Formulation

### Beard Oil

This beard oil is infused with bergamot and grapefruit natural essential oils that have antimicrobial characteristics to give your beard a fresh and compelling smell, and give you a revitalizing feel.

INGREDIENT	INCI NAME	%
Phase A		
Caprylic/Capric Triglycerides	Caprylic/Capric Triglycerides	50,5
LexFeel® N100 MB	Diheptyl Succinate (and) Capryloyl Glycerin/Sebacic Acid Copolymer	30
<b>Argan Oil</b>	<b>Argania Spinosa Kernel Oil</b>	<b>7</b>
<b>Jjoba Oil</b>	<b>Simmondsia Chinensis Seed Oil</b>	<b>7</b>
<b>CBD Oil 1</b>	<b>Cannabis sativa seed oil, Cannabis sativa flower/leaf/stem extract</b>	<b>5</b>
<b>Danox R-3204</b>	<b>Helianthus annuus seed oil, Rosmarinus officinalis leaf extract</b>	<b>0,3</b>
Grapefruit Essential Oil	Citrus grandis (Grapefruit) Peel Oil	0,1
Bergamot Essential Oil	Citrus aurantium bergamia (Bergamot) Fruit Oil	0,1

#### Procedure

1. Mix the ingredients of Phase A until homogenous.

#### Raw materials from ICSC

##### Argan Oil

*Argania Spinosa Kernel Oil*

The benefits of argan oil for hair come from its many beneficial ingredients and antioxidants, like vitamin E, ferulic acid, and fatty acids. This makes it a both deeply nourishing ingredient (and therefore a potent hair moisturizer) and a protective one, since antioxidants are the first line of defense against aggressors like UV rays and pollution. Argan oil on hair will not only improve its hydration, but also gives it a healthy, luminous sheen.

##### CBD Oil 1

*Cannabis sativa seed oil, Cannabis sativa flower/leaf/stem extract*

CBD oil has anti-acne and anti-inflammatory properties, making it very suitable for relieving inflammatory skin conditions such as eczema, psoriasis and acne.

##### Danox R-3204

*Helianthus annuus seed oil, Rosmarinus officinalis leaf extract*

An oil solution of natural antioxidants extracted from best quality dry leaves of Rosemary without its characteristic odor. It can be used for extending the shelf life of natural and organic products.

##### Jjoba Oil

*Simmondsia Chinensis Seed*

A liquid wax with softening, protecting and moisturise-retaining properties. Suitable for all skin types. Jojoba oil is abundant in important vitamins and minerals, including Vitamins E and B-complex, zinc, copper, selenium, chromium and iodine. It restores the natural balance of the skin by bringing in moisture and hydration. Jojoba oil is antibacterial, anti-inflammatory and non-comedogenic.
